Important information

You must be entitled to Medicare Part A and enrolled in Medicare Part B. You must continue paying your Medicare Part B premium to be eligible for coverage under the **UnitedHealthcare® Group Medicare Advantage (PPO) plan.**

Medicare also requires certain information in order to process your enrollment:

- A permanent street address (this cannot be a P.O. Box)
- Your Medicare ID card number

If you are not enrolled in Medicare Parts A and B, and you live outside of the p service area, you should contact Social Security.

Note: In most cases, we will send UnitedHealthcare your Medicare ID card number, which is required for enrollment. This is the number that appears on your red, white and blue Medicare card. However, if you receive a letter from UnitedHealthcare asking for this information, please respond immediately. Otherwise, UnitedHealthcare may not be able to process your enrollment,

Please Note: If you currently receive VA or Tricare benefits, you will be enrolled into a medical only PPO plan. If you have a different Individual PDP plan elsewhere, the automatic enrollment into this new Medicare Advantage plan would replace that PDP plan.
